

IWDA Kachin Pins Order Form

Selling International Women's Development Agency (IWDA) Kachin Pins is a great way to support the work of IWDA and our project partners in Asia and the Pacific. In addition to the valuable funds raised through the sale of Kachin Pins, being involved in our Kachin Pin fundraising is a great way to celebrate International Women's Day on March 8th, and to help spread the word about the work IWDA does with women in developing countries.

Please note that we are not asking you to purchase the boxes of Kachin Pins, but rather to help us in our fundraising efforts through placing a box of Kachin Pins on display in your workplace or organisation, and returning the money raised from the sale of the pins to IWDA.
