

## IWDA invites you to the fundraiser screening of *Eat, Pray, Love*

Elizabeth Gilbert (Julia Roberts) had everything a modern woman is supposed to dream of having – a husband, a house, a successful career – yet like so many others, she found herself lost, confused, and searching for what she really wanted in life. Newly divorced and at a crossroads, Gilbert steps out of her comfort zone, risking everything to change her life, embarking on a journey around the world that becomes a quest for self-discovery.

In her travels, she discovers the true pleasure of nourishment by eating in Italy; the power of prayer in India, and, finally and unexpectedly, the inner peace and balance of true love in Bali.

Based upon the bestselling memoir by Elizabeth Gilbert, *Eat, Pray, Love* proves that there really is more than one way to let yourself go and see the world.
